Chinese New Year's lunch: For those of you who attended the lunch, please check on the GRR Website (Forum-Boards-Events-Fishouts & Social). You will see your picture but also a short questionnaire about your appreciation for the venue. As your Social Events team, we need to hear your voice on the best choices for all. If you've already responded, thank you kindly. Again, and as always, suggestions welcome.

Upcoming April 25th event at Elk Lake: This will be a Chili and Pie tasting spread. We still need 4 volunteers for Chili and 4 volunteers for Pie making. (So far, one of each signed up). If you are kind enough to treat the gang with your cooking/baking talents, please let Sandy Raven know which one you will contribute.

Meanwhile, we look forward to be visiting, chanting and feasting with you on St. Patrick's Day!
